getAwareLive Conference

Seattle, Washington | July 24-25, 2019

Overview

Alliance Enterprises is pleased to host our get**Aware**Live 2019 conference. This annual conference brings together professionals and industry leaders in vocational rehabilitation (VR), disability advocacy, workforce and technology. The Alliance **Aware** platform is used by 40 state agencies and 24 tribal nations totaling over 12,000 **Aware** users.

The get**Aware**Live conference establishes a community of individuals, agencies, and providers who share the common goal to advance VR and workforce services implementing the Workforce Innovation and Opportunity Act (WIOA). Alliance believes that by sharing best practices, we can unleash the power of the workforce. Together we can better serve individuals with disabilities, break down barriers to employment, and create more meaningful opportunities.

getAwareLive is the premium VR conference of the year. Participate in two action-packed days of:

- Inspirational calls to action from VR leaders.
- Peer-to-peer collaboration and best practices.
- Tailored presentations to deliver WIOA insights.
- Discussion of the latest trends in technology.

We invite you to connect with your peers and learn from:

- Federal industry leaders who champion the WIOA.
- Workforce professionals who collaborate with VR peers to implement the WIOA.
- **Aware** designers, developers, administrators, and users.
- Leaders in cloud, analytics, and assistive technologies.

We know the get**Aware**Live presentations and the connections you make are sure to inspire you. We cannot wait to see you there!

Conference Value

The getAwareLive conference brings together VR and workforce industries to collaborate and share best practices. Conference sessions focus on crucial topics facing VR and workforce including the WIOA.

Industry representatives will discuss:

- Sharing data across workforce partners—lessons learned and best practices.
- Supporting your state-wide staff—understand and implement WIOA changes.
- Optimizing current federal reports and data quality.

Pre-conference training will cover important aspects of managing WIOA through Aware:

- Managing agency funds and budgets to meet the WIOA requirements.
- Leveraging **Aware** Analytics for WIOA performance measures.
- Using Manage Layouts for day-to-day management of the WIOA.

Additional opportunities:

- Access to keynote presentations and industry leaders.
- Access to **Aware** experts and Alliance executives.
- Networking with peers in the VR industry.
